

Pedro Calvo

Full Stack Developer

pedro7calvo@gmail.com

Cel. +54 3512150968

Córdoba - Argentina.

[LinkedIn](#) [Github](#)

I'm a full-stack developer with a passion for technology and software development.

I have experience working with the PERN stack and keep adding technologies to my stack like Docker, MongoDB and AWS cloud. I've worked on different projects using agile methodologies like scrum. I consider myself adaptable, communicative and a leader.

TECHNOLOGIES

HTML, CSS, Javascript, React, Redux, Node.js, Express, PostgreSQL, Sequelize, Figma, Scrum.

PROJECTS

Full Stack Web Developer - Portfolio

oct. 22

Córdoba, Argentina.

- That's my portfolio where you can know me my projects and my skills. Also, you can contact me.
- This site builds with React and CSS.

Full Stack Web Developer - Artket

sep. 22 - oct. 22

Henry Bootcamp, Córdoba, Argentina.

- Artket is e-commerce where different artworks are presented. On this site the user can register, add works to their shopping cart and buy them. Also has administration functionality where admins can create works and artists or modify them too and can control the users and orders of buys.
- This site builds with React, Redux, CSS for the front-end; using Node and Express for the back-end, I also used other tools such as PostgreSQL, Auth, Bcrypt and Mercadopago among others.
- [Artket](#) (link to deploy)

Full Stack Web Developer – Videogames App

ago. 22 - sep. 22

Henry Bootcamp, Córdoba, Argentina.

- This site is an SPA where the client can know, edit and create videogames. The information was consumed from an API provided by Henry.
- The front-end builds it using React, Redux, and CSS. On the other hand, I did the back-end with Node and Express, also the database was built with PostgreSQL.
- [Videogames](#) (link to deploy)

EXPERIENCE

Assistant

ago. 20 - abr. 22

CM Agro, Córdoba, Argentina.

- During this period, I did tasks such as customer service, data processing and administrative tasks. Also did field duties including monitoring agricultural lots and team coordination.
