PEDRO CALVO

FULL-STACK DEVELOPER

ABOUT ME

During the pandemic I reinvented myself and decided to become a software developer as it is a discipline that I am passionate about.
I studied development at Henry where I got the ability to work with technologies like HTML, CSS, Javascript, React, Redux, Node.js, Express, Postgres, Sequelize, and Scrum; I still study every day to improve daily.
I also have an intermediate level of English.
On the other hand, beyond the experience gained during the course of the Bootcamp, carry out a SPA and e-commerce.
